

Student can't see grade! What happened?

Did you enter the grade using Override? Do not use **OVERRIDE** unless a grade has already been entered and saved!

If yes, you will need to Revert this action and reenter grade

BILL'S TEST COURSE (TESTCOURSE2) > CONTROL PANEL > GRADE CENTER > GRADE DETAILS

 **Grade Details** Column:
◀ User:

To view the details of another column or user, select the column or user and click Go, or click the next or previous arrows to navigate sequentially. Override a grade by clicking the **override** button. Revert an overridden grade to its previous value by clicking the **revert** button. Modify or clear an attempt grade by clicking the appropriate buttons in the Attempts table.

Current Grade Do not click here to override a grade unless you have already entered and saved a grade.

How do I fix?

Must REVERT grade.

- Click **REVERT** next to Current Grade
- Then enter the grade by clicking **Modify Attempt** in the Action column
- Click **OK**

BILL'S TEST COURSE (TESTCOURSE3) > CONTROL PANEL > GRADE CENTER > GRADE DETAILS

Grade Details

Column: Go ▶

User: Go ▶

To view the details of another column or user, select the column or user and click Go, or click the next or previous arrows to navigate sequentially. Override a grade by clicking the **override** button. Revert an overridden grade to its previous value by clicking the **revert** button. Modify or clear an attempt grade by clicking the appropriate buttons in the Attempts table.

Current Grade 10.00 Feedback to User: Grading Notes:

Original grade has been overridden.
