

# Blackboard 9's "Look and Feel"

## Edit Mode switch

When **Edit Mode** set to "OFF" the course is displayed in **STUDENT VIEW** (how the student interacts with the course)

When **Edit Mode** set to "ON" the course is displayed allowing faculty all functionality needed to manage the course.

The **Edit Mode** switch is located in the **upper right corner** of every page and must be "ON" to access the editing tools.

## Control Panel

Control Panel tools are accessed below the menu options on the left-hand side of the screen. To expand individual selections, hover mouse over "**Control Panel**" and click the chevron (⌵ or ⌶) that appears to the left of the area name

## What are the available options?

**Menu tabs** (students **see** Menu tabs)

**Control Panel tabs** (students **do not see** Control Panel tabs)

(Individual Control Panel tabs show expanded view)

**Course:** Goes away with course  
**User:** Stay with you until you remove  
**All courses:** All you are authorized for  
**All organizations:** All you are authorized for
