

How do I log in to Blackboard?

1. Open a browser on your computer. Supported Blackboard (Bb) browsers are: Internet Explorer 7, Firefox 2, Safari 3.
2. Go to the web address: <http://my.ltu.edu>
3. Click in the text box under **Username**, type in your username.
Your username is the first initial of your first name, the first initial of your last name, followed by your 9 digit Banner ID (e.g. **MN000112269**)
4. Click in the box under **Password**, then type in your password.
(**Note:** Password is the 9 digit number only (no initials), for first time Bb login, or until you change it - *Remember that passwords are case letter sensitive.*)
5. Click **Login**, or hit **Enter** on your computer.
6. When your login to Bb is successful, a message appears at the top of the page, e.g. "**Welcome, YourName**". You will now be able to access your course/s listed under **My Courses**
