International Conference on Industrial Engineering and Operations Management (IEOM 2010) will be held in January 9 - 10, 2010 in Dhaka, Bangladesh. Bangladesh Society of Mechanical Engineers is organizing the conference and Institute of Industrial Engineers (IIE), Institute for Operations Research and the Management Science (INFORMS) are co-sponsoring 2010 IEOM Conference. The conference aims to provide a forum for academics, researchers and practitioners to exchange ideas and recent developments in the field of Industrial Engineering and Operations Management. The conference is also expected to foster networking, collaboration and joint effort among the conference participants to advance the theory and practice as well as to identify major trends in Industrial Engineering and Operations Management.

Selected papers would be published in special issues of International Journal of Industrial and Systems Engineering (IJJISE), International Journal of Advanced Operations Management (IJAOM) or International Journal of Business Performance and Supply Chain Modelling (IJBPSCM).

Special transportations will be arranged among Dhaka International Airport, conference hotels and venue for convenience of the foreigners. Some sight seeing tours will be arranged also.

Topics covering industrial issues/applications and academic research include, but are not limited to:

- Decision Analysis and Methods
- Safety, Security and Risk Management
- E-Business and E-Commerce
- Service Innovation and Management
- Engineering Economy and Cost Analysis
- Logistics and Supply Chain Management
- Engineering Education and Training
- Systems Modeling and Simulation
- Facilities Planning and Management
- South Asian Engineering Challenges
- Global Manufacturing and Management
- Business Process Reengineering
- Human Factors
- Engineering Management Systems
- Intelligent Manufacturing Systems
- Health Care Operations
- Manufacturing Systems
- Inventory Management
- Operations Research
- Design and Manufacturing
- Project Management
- Operations Research
- Quality Control and Management
- Service Engineering
- Reliability and Maintenance Engineering
- Enterprise Information Systems
- Engineering Management Systems
- Entrepreneurship

Important Dates
- Submission Deadline: October 01, 2009
- Review Feedback: November 01, 2009
- Final Paper Submission: December 01, 2009

Conf. Web Site: For latest & additional information, visit http://www.iieom.org/

Submission: Submit full paper or abstract for 2010 IEOM via email to aali@ltu.edu

Registration
- International Author/Participants: US$ 300
- International Student Author: US$ 150
- SAARC Country Author/Participants: US$ 150
- Local Author/Participants: BDT 4000
- Local Student Author/Participants: BDT 2000

Organizer: Bangladesh Society of Mechanical Engineers (BSME)
