Instructions for Inductees (application dateline: March 18, 2014):

a) Pick up a copy of the Code of Regulations from the Dean of Engineering office (Rm. E98) or Dr. Yuen’s office (Rm. E22). Alternatively, you may visit http://www.order-of-the-engineer.org/e-ring.htm to find out for yourself the purpose, the history, the prerequisites for membership and the plan of the Order.

b) To be eligible you must be within two semesters from graduation from a four year ABET accredited engineering degree program or an engineering graduate from an ABET accredited four year degree program from a university in U.S. or you are a practicing licensed Professional Engineer in U.S. The rule of thumb for graduating senior’s eligibility is that you must be graduating Spring (May) or Fall (December) of this year. This must be confirmed by the signature of your engineering curriculum faculty advisor such as the Chairperson of your department on this application form.

c) If you decide that you would like to be inducted into the Order of the Engineer, fill out the application form below. To be inducted you must be present at the induction ceremony, so make sure you know the date, time and location of the induction ceremony. The date, time and location is posted on Dr. Yuen’s web page http://qbx6.ltu.edu/yuen. Please note that if you are unable to be present at the induction ceremony your ring and certificate will not be presented to you until such time that you are able to participate in the next induction ceremony.

d) Write a check for $28.00 payable to the LTU-Chi Epsilon Student Chapter. This is a one-time fee for your ring, certificate and name registration with the National Office.

e) You will also need to provide information on the ring size of the fifth finger of your writing hand. It is recommended that you determine your ring size from the Dean of Engineering Administrative Assistant, Ms. Tamara Botzen (Rm. E 98), or from the jewelry section of the campus bookstore.

f) Finally bring your completed application and check to Ms. Tamara Botzen or Dr. Yuen to be screened with regard to your eligibility for induction.

g) Further information or questions may be obtained by e-mail to Dr. Yuen (eyuen@LTU.edu) or you may reach Dr. Yuen at (248)204-2545.
